

print_sensor_values

```
graph LR; A[print_sensor_values] --> B[putsUART]; B --> C[putcFIFO_TX];
```

A flowchart illustrating a sequence of three operations. The first operation, 'print_sensor_values', is enclosed in a gray rectangular box. A blue arrow points from this box to the second operation, 'putsUART', which is in a white rectangular box. Another blue arrow points from 'putsUART' to the third operation, 'putcFIFO_TX', also in a white rectangular box. All boxes have a black border, and the arrows are solid blue lines.

putsUART
